Kress Kangaroo Football COVID-19 Fan Guidelines for Football Games
(Guidelines established using UIL Requirements)

We expect all spectators to self-screen prior to arriving at Kress ISD facilities.
Anyone who has symptoms of COVID-19 should not attend the game(s).

To enter Kress ISD Football Facilities, all fans over 10 years of age must wear a face covering.

Spectators should choose to remain ***socially distant*** and respect other’s preferred spacing while in the stadium.

Once in the facilities there will be 3 areas that face coverings will be strictly enforced:

- **Stands** (Once seated, face covering may be removed **IF** no one is within **6 ft.** of you or your family.)
- **Area around Concession Stand**
- **Restrooms**

Children **MUST** remain with guardians at all times, no running freely or behind the stands and no football games behind or around the stands.

Spectators are **NOT** allowed on the field at any time prior to, during, or after the game.

UIL has implemented a 50% capacity rule. We are currently confident that we can accommodate all home and visitor fans. We will make adjustments as needed.

We greatly appreciate your support in helping our students, community, and our neighbors to stay safe. With your help and full cooperation, we can all have a great season. If you have any questions or concerns, please contact Leah Zeigler (Superintendent) 806-684-2652.

Sincerely,
